

Gladiator Product Data Sheet Waterproof Cloth Tape

Description

A polyethylene coated waterproof tape with an aggressive synthetic rubber-resin adhesive. It has a uniform tear, with good tensile strength and excellent moisture resistance.

Applications

- Bundling.
- Masking/Protection.
- Packaging, wrapping and sealing.
- Polyethylene sheet jointing.
- General maintenance

Technical Details

Total Thickness	130 micron
Mesh	27
Adhesion	12↑ N/25mm
Tensile Strength	55↑ N/25mm
Elongation	10%
Temperature	-20°C to +60°C
Standard Colours	Black, Silver, White & Red.

The information given in this data is based on laboratory tests and experience, which we believe to be correct. In view of the wide range of applications and the variety of substrates, we would advise that our products should be tested by the user to establish suitability for its intended application.
